WELCOME TO CENTRESTAGE

"THE PAST IS NOT WHAT DEFINES YOU. IT'S WHAT YOU DO NEXT."

I'm David Greenwood OAM, Managing Director of CentreStage, and alongside Producer Martin Nguyen, I'm proud to invite you to audition for our upcoming production of Frozen.

This is a story that reaches far beyond the stage. It explores identity, courage, connection, and the strength it takes to truly be seen. At its core, Frozen is not just spectacle. It is grounded, human storytelling brought to life through music, movement, and ensemble. This is your opportunity to be part of something meaningful.

At CentreStage, we are creating a production that prioritises emotional truth, strong ensemble connection, and a genuine sense of community both on and off the stage. This is an environment where performers are supported, challenged, and empowered to deliver work at a professional standard.

We are seeking artists, performers, and storytellers from all backgrounds, identities, and experience levels. Whether this is your first audition or you bring years of experience, you are welcome here.

We are casting a full-scale musical theatre production that values:

- Strong, authentic storytelling
- Vocal and physical commitment
- Collaboration and ensemble connection
- Respect, professionalism, and inclusion

If you are someone who:

- Connects deeply to character and story
- Brings honesty and intention to your performance
- Is willing to commit to a high-performing team environment
- Values a safe, inclusive, and respectful rehearsal space

Then we want to see you in the room.

CentreStage is more than a theatre company. It is a place where artists grow, where stories matter, and where people are given the opportunity to contribute to work of scale and impact. Our productions are known for their ambition, quality, and strong sense of community, and Frozen continues that vision.

This is more than an audition.

It is an invitation to step forward, to be seen, and to be part of a production that celebrates courage, connection, and the power of storytelling.

We look forward to meeting you.

THE STORY:

Frozen is a visually striking musical about sisters Elsa and Anna and the fractured bond between them. Beneath the magic and spectacle is a deeply human story about identity, fear, love and the courage to be truly seen.

Born with the power to create ice and snow, Elsa is taught to hide her abilities after an accident nearly harms Anna. Years of secrecy and isolation separate the sisters until Elsa's powers are revealed during her coronation, causing her to flee and unknowingly cast Arendelle into an endless winter.

Anna sets out to find Elsa and restore the kingdom, joined by Kristoff, Sven and Olaf. While Anna's journey tests her understanding of love and loyalty, Elsa must confront the belief that isolation is the only way to protect those she cares about.

At its heart, Frozen explores the tension between control and freedom, fear and acceptance, and isolation and connection. It challenges traditional ideas of true love by placing family, self-acceptance, vulnerability and sacrifice at the centre of the story.

Through its sweeping score, memorable characters and emotional storytelling, Frozen celebrates the courage to embrace who you are and the transformative power of connection.

All adult cast members must hold a current Working with Children Check, or be willing and eligible to apply for one before rehearsals commence.

Successful performers must remain available for all required rehearsals, production calls and performances.

Cast members must not accept another production, performance opportunity or commitment that may affect their availability for this production.

CHILDREN'S CASTING

Children auditioning for roles must closely resemble the playing age of the characters they are being considered for.

A parent or guardian must provide all required permissions and documentation in accordance with current Victorian child employment and child safety requirements.

Where required, children's roles may be shared between two casts, with performances distributed as evenly as reasonably possible.

Successful performers must remain available for all required rehearsals, production calls and allocated performances.

Children must not accept another production, performance opportunity or commitment that may affect their availability for this production.

Further information about children working in the entertainment industry is available through the Victorian Government's guidance for parents and guardians.

AVAILABILITY & COMMITMENT

We understand that a production is a significant commitment, and that performers may have existing work, school, family and personal responsibilities.

All known unavailable dates during the rehearsal, production and performance period must be clearly listed on your audition form. Availability may be considered as part of the casting process, so all information provided must be accurate and complete.

Successful performers are expected to prioritise the production schedule and communicate any unexpected changes as early as possible.

CentreStage reserves the right to recast or replace a performer where additional unapproved absences significantly affect rehearsals, performances, production safety or the broader company.

PLEASE NOTE

FULL AVAILABILITY IS ESSENTIAL

Throughout production week and the complete performance season.

ACCESS & SUPPORT

YOUTH AUDITION INFORMATION

YOUNG ANNA & YOUNG ELSA

OVERVIEW

Auditions for the roles of Young Anna and Young Elsa will take place on Sunday 30th of August and will follow a slightly different process to the adult auditions.

Young performers will participate in a combined audition session, with the audition and callback process taking place on the same day. Rather than preparing a song of their own choice, auditionees will work with material provided from the show.

THE AUDITION PROCESS

Auditionees will be provided with:

- An acting scene from the show to prepare
- A small section of one of the songs from the show to prepare

Young Anna and Young Elsa auditionees will receive an Audition Pack with their audition confirmation. This will clearly outline all requirements for the day, including the relevant acting scenes (sides) and song material to prepare. There will be no surprises on the day, and all performance material will be provided in advance.

During the audition, performers should be prepared to work in different combinations with other auditionees. The creative team may pair performers differently throughout the session to explore character relationships, chemistry and their ability to work collaboratively.

The audition will also include a short movement and creative workshop led by the creative team. This will be the only part of the audition that cannot be prepared in advance and will explore musicality, physical storytelling, confidence and creativity. No formal dance training is required.

The Young Anna and Young Elsa audition will take place separately from the adult audition and Dance & Movement Call, allowing the young performers to work in a more focused and supportive environment.

There will be no additional callback rounds for Young Anna or Young Elsa. The session on Sunday 30 August will be the only audition and casting session for these roles.

WHAT WE'RE LOOKING FOR

We are looking for young performers who demonstrate:

- Strong imagination and character connection
- Ability to communicate emotion and tell a story
- Musicality and willingness to learn
- Confidence, enthusiasm and a positive attitude
- Ability to collaborate and perform with others

The audition environment will be supportive and encouraging. We are looking for performers who bring authenticity, creativity and a genuine love of performing.

CHOOSING YOUR SONG

90 SECONDS (or 32 bars)

Please prepare a **90-second or 32 bar cut** (approximately) of a song that demonstrates your ability to perform **in the style of *Frozen*** and/or is appropriate for the character(s) you are auditioning for.

Your selection should:

- Showcase your vocal ability.
- Demonstrate your ability to act and tell a story through song.
- Allow the creative team to see your performance style, character choices and musicality.

Please consider choosing material that:

- Suits your voice and performance strengths.
- Reflects the style, emotional demands and storytelling requirements of musical theatre.

Songs from *Frozen* may **not** be used for initial auditions.

To ensure a consistent and efficient audition process, all auditionees must submit their backing track as an mp3 file in their audition form.

EMBRACE THE STYLE OF THE SHOW

The score of *Frozen* blends **contemporary musical theatre** with the rich storytelling tradition of **classic Disney musicals**. Choose a song with a strong melodic line, emotional depth and a clear storytelling journey.

Material from contemporary musical theatre and Disney or Disney-adjacent productions is encouraged. Shows such as *The Little Mermaid*, *Beauty and the Beast*, *Tangled*, *Shrek the Musical*, *Anastasia*, *The Prince of Egypt* and *Waitress* provide excellent stylistic inspiration.

WHAT WE ARE LOOKING FOR

Auditions are an opportunity for performers to showcase themselves as complete artists.

The creative team will be considering:

- Vocal ability.
- Acting ability.
- Characterisation.
- Storytelling through performance.
- Musicality and interpretation.
- Suitability for the requirements of the production.

We encourage auditionees to approach their audition as a performance rather than simply a vocal exercise.

FOR INSPIRATION

Please take inspiration from the follow examples as to the style suited to this show:

Journey To The Past

Anastasia

Out There

The Hunchback of Notre Dame

A Change In Me

Beauty and the Beast

Proud of Your Boy

Aladdin

I Know It's Today

Shrek the Musical

Most importantly, choose a song that you love to sing!

DANCE & MOVEMENT CALL

SUNDAY 30 AUGUST 2026

REQUIRED FOR ALL ADULTS

All auditionees are required to attend the **Dance & Movement Call in order to be considered for casting**. Frozen is a physically expressive production that requires performers to communicate character through movement as well as singing and acting.

The Dance & Movement Call is an opportunity for the creative team to assess your coordination, physical storytelling, stage presence and ability to learn choreography. You do not need to be a trained dancer to be considered for many roles, but participation in this session is compulsory for all auditionees.

All cast members in Frozen will be required to demonstrate a basic to advanced level of coordination, depending on the role. This show is full of movement in many different styles, and even actor-focused roles will need to move with purpose and confidence.

Some auditionees may be required for only part of the session, while others may be asked to remain for additional rounds.

WHAT TO WEAR

Please wear comfortable, dance-appropriate clothing that allows you to move freely. For the main Dance Call, please wear suitable dance footwear such as jazz shoes or clean sneakers.

If you are participating in the optional tap component, please bring your tap shoes. You are also welcome to bring a pair of chorus heels for the partnering call - but is not mandatory.

WHAT WE'RE LOOKING FOR

The creative team assesses far more than technical dance ability. We are equally interested in musicality, confidence and presence, storytelling through movement, performance quality, characterisation, adaptability, energy and enthusiasm.

Bring your personality, your commitment and your willingness to have a go. We want performers who can help bring the world of Arendelle to life through movement, storytelling and ensemble connection.

THE SESSION INDICATIVE TIMES SUBJECT TO CHANGE

TAP AUDITION 3.30PM - 4.15PM

OPTIONAL

Those with tap experience can showcase their skills in a short combination taught on the day. This is **not mandatory**, yet recommended if you wish to be considered for any tap-based moments in the show.

DANCE CALL 4.30PM - 6.00PM

ALL AUDITIONEES

The dance call will consist of a very brief warm-up prior to learning the audition combination, however we advise auditionees to arrive fully warmed up and ready to move. The combination will assess all dance abilities and will be taught on the day.

ADDITIONAL SKILLS 6.00PM - 6.15PM

OPTIONAL

This will follow the main dance call and will allow auditionees to demonstrate any acrobatic skills (inc tumbling/aerial), speciality skills or other relevant performance skills. Please come prepared with a combination as there is limited preparation time and be suitably warm if necessary **prior** to the dance call.

PARTNER CALL 6.30PM - 7.30PM

BY REQUEST

Roles requiring partner work, along with select auditionees, will be asked to stay back for a short partnering call.

CALLBACKS & REHEARSALS

CALLBACK ROUND

SUNDAY 13 SEPTEMBER

Following the initial audition rounds, performers may be invited to attend a callback as part of the casting process. Callback invitations will be issued via email **once all initial auditions have concluded**, and any material required for preparation will be provided at that time.

Please note that not all roles will require a callback. If you are not invited to attend a callback, it does **not** necessarily mean you are no longer being considered for casting, as some roles may be cast based on the initial audition alone.

Mondays	7:00 — 10:00PM

Our strongest advice is to block out Monday, Wednesday and Sunday rehearsal times across the whole period and assume you will be required at most rehearsals. A full schedule is provided at the time of casting.

Accommodations will be made for absences recorded on your audition form. In fairness to everyone, it is expected that you will be available for scheduled rehearsals. Melbourne-based performers are invited to audition, and travel commitments will be considered in scheduling.

**BRITTENY LING**
MUSICAL DIRECTOR

Britteny is a world-travelled musician, teacher, arranger and composer who has been directing ensembles since her teens.

She was most recently spotted in the role of Musical Director for the CentreStage production of & JULIET, though most of her many orchestra credits are playing trumpet. She has also been spotted in the pit on tin whistles and flutes, clarinet, sax and piano.

Outside of the theatre she teaches brass and music theory to students of all ages, is a part-time gym trainer and aqua aerobics instructor at the City of Greater Geelong, and works on mastering as many musical instruments as possible. She plays video games, regularly picks up a crochet hook, and spends as much time as she can with her two darling dogs, Aria and Grainger.

**RICHELLE WHITE**

Richelle has worked with the CentreStage Performing Arts Academy (CPAA) as part of the executive team and as Business Manager for the past nine years.

In that time she has become deeply passionate about the mental and physical wellbeing of junior performers. Keeping our young performers safe — from themselves and from others in the community — is very important to her.

Richelle looks forward to working with the cast and creatives in bringing *Frozen* to the stage while keeping our young performers safe.

VIRGINIA CONNELL
COSTUME DESIGNER

Virginia is a Registered Nurse in Geelong who has always had a passion for textiles, garment construction, millinery, embroidery, jewellery making and design.

When her daughters started high school, a theatre director discovered Virginia could sew and asked her to assist with their shows. This began her love of costumes and musical theatre, and she was with the Geelong Grammar Drama Department for ten years.

In that time Virginia was involved in the costume design, construction and coordination of the Geelong Grammar School productions of SHREK JR, LION KING JR, WIZARD OF OZ, LEGALLY BLONDE, THE ADDAMS FAMILY, BEAUTY AND THE BEAST, CHICAGO, ALADDIN, SENSE AND SENSIBILITY and THE GOVERNMENT INSPECTOR.

LES MISÉRABLES (2022) was Virginia's first show with the CentreStage family, followed by & JULIET in 2026.

DAWN MURDOCH
WARDROBE MANAGER

Dawn's love of musical theatre began at the age of ten when she joined the GSODA Junior Players.

Her love of Highland and Irish dancing also led to a passion for classical ballet, tap and jazz at the Geelong Ballet Centre, where she eventually taught before starting a family. Dawn performed the roles of Choreographer and Vocal Director for the Junior Players after completing her seven years in the company, and again later when her daughters joined.

She has performed with GMCC and Geelong Lyric productions including BRIGADOON, NO NO NANETTE, THE SOUND OF MUSIC and PIPPIN, while continuing to sing at various venues. After retiring, Dawn came back to performing as a booth singer in PIPPIN (CentreStage) in 2025.

Dedicated to supporting local theatre, Dawn has worked on production teams and volunteered in roles spanning wardrobe, backstage, set construction, committees, event management, marketing and promotions. She joined the CentreStage family in 2017 in wardrobe to support her daughter Michele and granddaughter Cassiana, who were cast in OLIVER!, and has continued to do so ever since.
